HK1200	bowl tipper double column	1600 kg	2400 mm	7000 mm	600 kg Dough bolw	St
BHE L / R / Q	belt lifting unit	600 kg max. Teig 240 kg	1600 mm	4500 mm	240 kg Dough bolw	St
HKA 400	bowl tipper with large overhang	400 kg	1000 mm	3000 mm	160 kg Teig bolw or box	St / F

Your advantages:

- Value for money and close to the customer due to direct sales
- Lower personnel costs
- Greater employee satisfaction due to elimination of heavy physical labor
- An adapted solution for every application
- Applicable for all bowl size manufacturer
- Significant optimization of the production process
- Simple operation
- Independently tested safety
- Meets the requirements of HACCP

Bolw Lifting Tipper

Delivery program overview

Meyma lifting tippers significantly optimize the production process in bakeries. Dough is conveyed quickly, safely and effectively. Hard physical work is reduced to a minimum. Continuous production is achieved.

Meyma lifting tippers are manufactured in our own factory in Cloppenburg and are a guarantee of safety based on many years of experience in the construction of lifting tippers.

The favorable price/performance ratio enables a fast amortization.

Technology that protects employees and makes the job baker more attractive.
